Physics 151 – Plasma Physics
Spring 2015

Instructor: Prof. Dan Dubin
Mayer Hall 3126
534-4174
dubin@ucsd.edu

Office Hour: Wed 2:30-3:30 pm

The class will cover material in chapters 1 - 5

Lectures: MWF 11 – 11:50AM in MH2623

Course web page: nnp.ucsd.edu/151

Homework: Homework problems from Chen will be assigned. Grades will be based on completion of the work, not on correctness. (Solution sets will be posted.)

Tour: A (voluntary) one hour tour of the tokamak at General Atomics will be arranged. Details to follow later in the quarter.

Grading: Midterm 1 Fri April 24 (1 hr, 15%)
         Midterm 2 Mon May 11 (1 hr, 30%)
         Final Fri June 12 11:30-2:30 (3 hr, 45%)
         Homework: (10%)

Academic Honesty:
Please read the UCSD policy on Integrity of Scholarship, in the UCSD catalogue. Complete honesty in this course is a requirement for passing the class.
